STATEMENT OF PROBABLE CAUSE

(for issuance of an arrest warrant or summons)

I state that on 5/28/02 at South Campground
 my duties as a law enforcement officer in the Federal
 District of Utah

I responded to a call from dispatch to assist officer Cavendish with a large group in which drugs had been found. I contacted the remaining people in the group and asked that if anyone else had any drugs that they bring them forward. A camp member, identified as Leonard M. VALENTINO "Matt" 04-10-75 approached me and admitted "ya, I have some weed, I will go get it". He led me to a tan van with CA registration 1JIC893 and pulled out a black case that contained a green leafy substance that had a strong odor of marijuana. A later search of the campsite by officer McGinn revealed a brown pill bottle that VALENTINO admitted to throwing away from the campsite. He also admitted to this container having had marijuana in it.

The foregoing statement is based upon:

- ☒ my personal observation ☒ my personal investigation
☒ information supplied to me by my fellow officer's observation
☐ other (explain above)

I declare under penalty of perjury that the information which I have set forth above and on the face of this violation notice is true and correct to the best of my knowledge.
